

ELECTRONIC FILING INSTRUCTIONS

LOGITECH FAIR FUND

I. Important Notes – PLEASE READ

- Electronic claim submission is available to institutions filing on their own behalf or on behalf of others as well as to claim preparers filing on behalf of clients, or to individuals filing a large number of transactions who have requested or been requested to file claims electronically.
- Electronic claim submissions MUST be accompanied by all **required** documents as set forth in Section IV of these instructions.
- **ALL ELECTRONIC CLAIMS SUBMISSIONS MUST BE ENTERED ON THE TEMPLATE THAT FOLLOWS THESE INSTRUCTIONS.** Electronic claim submissions MUST be submitted in the **required** format, specified in this document.
- Provide all trade dates in **US** date format (**MM/DD/YYYY**).
- Electronic filers must provide for each claim submitted the holding positions and transactions in the eligible securities as set forth in Section II.
- **NOTE: As set forth in the Proof of Claim Form that you are submitting as the Master Proof of Claim for your submission (see Section IV 1. below), a separate claim should be submitted for each separate legal entity (for example, a claim form by joint owners should not include separate transactions of just one of the joint owners, and an individual should not combine her or her IRA transactions with transactions made solely in the individual's name). Conversely, a single Claim Form should be submitted on behalf of one legal entity including all transactions made by that entity no matter how many separate accounts that entity has (for example, a corporation with multiple brokerage accounts should include all transactions made in the Security during the Recovery Period on one Claim Form, no matter how many accounts the transactions were made in).**
- You MUST provide in Column V of your submission the **correct complete, unabbreviated name of the beneficial owner(s) of the security supporting each claim. Your submission may be rejected if you do not provide this information.** Do not include honorifics (*e.g.*, Mr., Mrs., Ms., Dr., Capt., Sgt.) and do not put "FBO" or the like in front of the beneficial owner's name. PLEASE NOTE: A trustee, in that capacity, is not the beneficial owner of the security; the full name of the trust should be entered followed by the full name(s) of the trustee(s). A comma should separate the name of the trust and the name(s) of the trustee(s).
- **CLAIM FILING DEADLINE:** The claim filing deadline for this action is **March 11, 2019**. Any claim received after that date will be late.

IV. Documentation Requirements

The required documentation outlined below **must** be submitted with your electronic file. Your electronic claims will **not** be eligible for consideration until all required documents are received. Please note that one single document may meet more than one requirement.

1. ONE SIGNED PROOF OF CLAIM AND RELEASE

- You must complete the Claimant Identification Page, (Part I, Page 2) and Certification and Signature Page, (Part IV, Pages 5-6) of a single Proof of Claim form, which will serve as an "umbrella" or "master" claim form for all claims in your electronic file.
- The claim form **must** be signed by an authorized signatory who is also listed on your signature verification document and state the capacity (job title) of the signatory.
- You may reference the term "Various Beneficial Owners" for the beneficial owner name if you are filing on behalf of multiple beneficial owners. However, as noted above, the correct complete unabbreviated name of each beneficial owner (without honorifics) **MUST** be provided for each claim in your electronic claim submission.

2. SIGNATURE VERIFICATION DOCUMENT

- If you are an institution filing on your own behalf or on behalf of other beneficial owners or a claim preparer filing on behalf of beneficial owners, you must provide a document verifying that the individual who signed the claim form and any supplemental documents is authorized to sign on your behalf. Some common types of documents that fulfill this requirement include the following (this list is not exclusive and non-US entities may have different documents that fulfill this requirement. If you are a non-US entity, you must submit an equivalent document):
 - Copy of filer's By-Laws, including signature page(s)
 - Copy of filer's Corporate Resolution, including signature page(s)
 - Notarized Affidavit signed by an officer of the filing institution or company clearly granting a specific individual(s) authorization or confirming his/her authority to sign on behalf of his/her institution or company.

3. DATA VERIFICATION DOCUMENT(S)

- If you are an institution filing on your own behalf or on behalf of other beneficial owners or a claim preparer filing on behalf of beneficial owners, you must provide a notarized affidavit or signed letter on your firm's letterhead which meets the below criteria:
 - Confirms the number of distinct claims and transactions in your file
 - Sets forth the source of the data for each claim included in your file
 - Attests to the truth and accuracy of the data for each claim in your file
 - Is executed by an authorized signatory who is listed on your firm's signature verification document, and specifies both the capacity and contact information of that signatory.

4. AUTHORIZATION DOCUMENT (IF FILING ON BEHALF OF CLIENTS OR CUSTOMERS)

- If you are an institution or claim preparer filing on behalf of beneficial owners other than yourself, you must provide a current document verifying that you are authorized to file and sign claims on behalf of the beneficial owners of the securities. Some common types of documents that fulfill this requirement include the following (this list is not exclusive and non-US entities may have different documents that fulfill this requirement. If you are a non-US entity, you must submit an equivalent document):
 - Power of Attorney
 - Service Agreement
 - Signed/dated letter on client's company letterhead specifically granting your company authority to file/sign claims on their behalf
 - Notarized affidavit or signed letter on your company's letterhead confirming your authority to file and sign claims on behalf of each client for whom you filed a claim. It must be executed by an officer of the company who is also listed on your signature verification document and reference the capacity and contact information of the signatory.

ADDITIONAL DOCUMENTATION (IF REQUESTED) - DATA INTEGRITY AUDIT

Epiq may request filers, as deemed appropriate by Epiq and/or Lead Counsel, who file claims electronically to provide additional documentation to support the claims submitted. This data integrity audit is designed to verify the overall integrity of a data file. Accordingly, you must provide all the requested documentation and the documentation provided must be independent in nature.

Even if you provided a letter/affidavit attesting to the truth and accuracy of the data you initially submitted with your electronic file, we will **require** specific documentary evidence, which may include trade confirmations, monthly statement, or equivalent, to independently verify the details of transactions and/or holding positions, if your file is selected for a data integrity audit.

FAILURE TO COMPLY WITH THIS AUDIT REQUEST WILL RESULT IN THE REJECTION OF ALL CLAIMS ON YOUR ELECTRONIC SUBMISSION

V. Electronic Filing Notes

- Claims and checks (if the claim is eligible) will be created based on the information provided on your electronic file.
- If you require checks to be made out directly to the beneficial owner but still sent to your company, please include a “c/o” before your company name in Column A of your file.
- If you require checks to be mailed to some other party (i.e. directly to the custodian bank for each beneficial owner or directly to the beneficial owner), please include *their* name in the ‘Company Name’ field of the file, but include your name in the ‘Submitting Filer’s Name’ field (Column T).

- Negative values may **only** be given for beginning and ending/unsold holdings (transaction type “U”). All other transactions must reflect positive values.

TRANSFERS

Free receive/free deliver (transfer in/out) transactions must be included in the claim data as this information is necessary in order for the claim to balance. Please note, free receives are not eligible for payment and will not be included in the calculation of the claim unless the shares received were purchased during the Class Period and you provide the original purchase information for these shares.

A free receive or transfer in must be reflected as a transaction type “R” and a free deliver or transfer out must be reflected as a transaction type “D” (prices and net amounts must be zero).
